

Revo Uno™ is a stylish, contemporary 'lifestyle' DAB/FM radio - available in a range of colours from cool white to candy pink. Uno™ also includes full electronic alarm clock functionality with touch-sensitive 'snooze' feature

UNO™

DAB DIGITAL RADIO

With a style all of its own, Revo Uno™ brings a fresh, contemporary design attitude to the often retro dominated world of DAB digital radio.

Your Style, Your Life, Your Uno

Uno™ has been designed to look great in any room in your house (not just your kitchen), and is available in a range of colours to suit most interiors.

Uno™ offers full DAB and FM reception, iPod® speaker system functionality and digital alarm clock with snooze.

A Winning Design, Proven Technology

Uno™ has been designed in the UK and features a custom version of Frontier Silicon's Venice DAB module - the world's best selling DAB chipset.

Key Uno™ Features

- High sensitivity DAB digital radio
- FM radio receiver
- Digital alarm clock functionality with 'touch-snooze' feature
- M-Port™ sound system support for iPod® and other MP3 devices
- Large scrolling white-on-black LCD display
- Compact design - only 17cm high
- Fold-away telescopic antenna
- Stereo headphone connector
- Infra-red remote control enabled* (optional remote control available)

Dimensions 170mm (H) x 105mm (W) x 105mm (D)

UNO™

DAB DIGITAL RADIO

M-Port™ - iPod®

Revo's M-Port™ technology allows for quick and easy connection of an iPod® (or other MP3 devices or sound sources) to Uno™.

Using the connection cable supplied, simply plug the iPod® (or other such device) into Uno's M-Port™ and you have sound system providing high quality, expansive digital audio in a flash.

FM Radio

For fans of analogue FM radio, Uno™ features an FM tuner.

Digital Alarm

Uno™ includes advanced digital alarm features, allowing you to set different alarm times for weekdays and weekends, one-off alarms or daily alarms. Users can also specify waking-up to buzzer, DAB radio or FM radio.

Uno™ Colours

Uno™ is available in three colours as follows:

- **Satin Black:**
A subtle matt black finish with a slight sheen.
- **Snow White:**
A crisp, clean high-gloss white finish.
- **Titanium Silver:**
A slick metallic silver finish.
- **Candy Pink:**
Sugary sweet pink finish.
